WELL(S) NO. 8358-48 ........................................ DATE Aug 14, 1981

LOCATION Lehua, Pearl City, Oahu

SUBJECT Field check of well

PRESENT Nl., R3., and K L. - ROWALD

FIELD NOTES Water is used for irrigation purposes. There is a

meter however, it is not functional. The valve in line does

work and Mr. Kizumi uses it when BWS asks him to outfit

on usage. Chain and padlock on valve is used to protect

against people from opening up his valve too much. Well is

natural flow and used continuously.
