List of NASA Opportunities for 2007

Education Associates program: Internships and Fellowships at NASA
URL http://server-mpo.arc.nasa.gov/services/eap/home.tml

Exploration Systems Mission Directorate Higher Education Program (ESMD) Internships at NASA Centers for spring, summer, and fall semesters of 2007
URL http://education.ksc.nasa.gov/esmdspacegrant/index.htm
*To apply, students must complete the online application and follow the guidelines at:
*For a listing of available internships:
http://www.vsgc.odu.edu/esmd/

Graduate Students Research Program (GSRP)—Mentored research experience for graduate students at a NASA Center
URL http://fellowships.hq.nasa.gov/gsrp/nav/
Deadline February 1, 2007
Eligibility
US Citizenship
Admitted to or enrolled in an accredited graduate program at a US college or university
Graduate advisor or mentor required
NASA Center based internship a required part of the program

Jet Propulsion Laboratory (JPL)—Mentored research experience at NASA Center
*Hawaii students see Hawaii Space Grant Consortium to apply for this great opportunity!
Deadline February 9, 2007 (HSGC deadline is January 31, 2007)
Eligibility
US Citizenship
Minimum GPA of 3.0 or better cumulative GPA

Johnson Space Center (JSC) Internship Program
URL http://education.jsc.nasa.gov/students.cfm

Kennedy Space Center (KSC) Internship Program (Includes USRP, as mentioned on 2nd page, and ACCESS)
URL http://education.ksc.nasa.gov/students/undergrad.htm

Langley Aerospace Research Summer Scholars Program (LARSS) Program
URL http://research.nianet.org/larss/index.html

Lewis Educational & Research Collaborative Internship Program (LERCIP): NASA Glenn Research Center
URL http://www.nasa.gov/centers/glenn/education/LERCIP_GRC.html
NASA Academy

- NASA Goddard Space Flight Center’s Office of Higher Education Combined Intern Application Website: From the following website you can apply to several internships with a single application. For more information, go to http://university.gsfc.nasa.gov/.
  - To apply for these opportunities, you may submit a combined intern application, which is available at: http://university.gsfc.nasa.gov/application/
  - NASA Academy
    - http://university.gsfc.nasa.gov/programs/academy.jsp
  - APL: Johns Hopkins applied Physics Laboratory Student Internship Program (APL)
    - http://university.gsfc.nasa.gov/programs/apl.jsp
  - FSTP: GSFC Faculty Student Team Program
    - http://university.gsfc.nasa.gov/programs/fstp.jsp
  - IVV: Independent Verification and Validation Internship
    - http://university.gsfc.nasa.gov/programs/ivv.jsp
  - Robotics: NASA Robotics Academy (flyer attached)
    - http://university.gsfc.nasa.gov/programs/robotics.jsp
  - SAWDRIP: Summer Aerospace Workforce Development Research Internship Program
    - http://university.gsfc.nasa.gov/programs/sawdrip.jsp
  - SIECA: Summer Institute in Engineering and Computer applications
    - http://university.gsfc.nasa.gov/programs/sieca.jsp
  - SIP: Student Internship Program
    - http://university.gsfc.nasa.gov/programs/sip.jsp

Deadline January 16, 2007
NOTE: Application assistance is available from the NASA Academy Alumni Association

Undergraduate Student Research Program (USRP)—Mentored research experience at a NASA Center
URL http://www.vsgc.odu.edu/app.htm
Deadlines
  - January 31, 2007 for Summer 2007
  - February 28, 2007 for Fall 2007

Eligibility
  - US Citizenship
  - Junior or Senior classification
  - Major in a STEM discipline
  - Minimum GPA of 3.0 on a scale of 4.0
